

And Jesus said to them, “Follow Me, and I will make you become fishers of men.” (Mark 1:17)

Fishers of men – people who tell others about the Savior

NAME: _____

Basic Instructions: Jesus told the fisherman to let down their nets, and they caught so many fish that their nets almost broke. Can you count the fish on this sheet?
Even More Fun: Draw a line from one fish to its match. Color the two fish in each pair the same color. Color the picture.

Ultimate Fun: Cut out the fish and glue them to a square of craft netting or a picture of a net that your leader provides (resource CD). Tell someone what it means to be fishers of men.
