

# Because You Pray, Give, and Go

Because of your commitment to **pray, give, and go**, we are making huge strides to accomplishing the goals we set as a church in partnership with Finishing the Task (FTT) – a global cooperation of churches and ministries with the goal of ensuring that **everyone, everywhere has access to a Bible, Believer, and Body of Christ by 2033.**

Check out the progress you have helped us make in engaging believers in breakthrough prayer, translating the Bible into every language, equipping every believer to become a disciple-maker, and establishing a body of Christ in every community.
