### **Quotes from A.W. Tozer:**

- “What comes into our minds when we think about God is the most important thing about us.”
- “The reason why many are still troubled—still making little forward progress—is because they haven’t come to the end of themselves. We’re still trying to give orders and interfering with God’s work within us.”
- “I can safely say—on the authority of God’s Word—that any man or woman on earth who is bored by worship is not ready for heaven.”
- “I want the presence of God Himself—I don’t want anything at all to do with religion. I want all that God has, or I don’t want any.”
- “One hundred religious persons knit into unity by careful organization do not constitute a church any more than 11 dead men make a football team.”
- “When you kill time, remember it has no resurrection!”
- **“It is doubtful whether God can bless a man until He has hurt him deeply.”**

# What is God saying to us today from Genesis 41?

1. God never hurries.

2. Waiting time is not wasted time.

3. Trusting God (while waiting on God) is worth it.

4. When promotion comes, give credit to God.
