

# 10 Ways the Church Should Respond to the Crisis in Minnesota

1. Keep praying for godly change.
2. Keep staying humble — we all have blind spots.
3. Keep being a part of the solution, not the problem.
4. Keep being peacemakers.
5. Keep the Gospel central to everything.
6. Keep winning people to Christ — it's the way we change culture.
7. Keep taking your cues from God's Word, not the latest tweet.
8. Keep having conversations instead of making declarations.
9. Keep doing good; do not grow weary in doing good.
10. Keep loving deeply, and refuse to let the enemy divide you.
